

## **Pt. NRS Govt. College Rohtak**

### **Health Facilities**

College has well equipped and updated First aid kit available in the YRC office. College also organises dental check-up and oral health awareness campaigns regularly for students and staff. Activities like blood donation and blood Hb check-up camps are also organised as the need arises. College has health facilities in the form of a well-equipped open gymnasium situated between commerce and BBA building, that caters to health requirements of students, staff and hostel residents as well.
