10 September 2025

Organized By

Science Society in Collaboration with Department of Chemistry

About the Program

The Science Society in collaboration with the Department of Chemistry organized the District Level Science Quiz Competition sponsored by Haryana state Council for Science Innovation and Technology (HSCSIT), Panchkula on 10th September 2025. The main purpose of this competition is to develop/create the student interest in the field of science. The science quiz contest includes different areas of science streams questions (Physics, Chemistry, Mathematics, Biology (Botany, Zoology), latest areas of research. In the first phase of the contest, the best 8 teams were screened out by conducting a screening test for the Oral Science Quiz Contest. The Oral Science Quiz includes four rounds i.e. MCQ's, Visual round, Activity round, Rapid fire round. A total of 11 colleges with 20 teams having 60 students (15 Male and 45 Female) and 16 team incharges) participated in the District level science Contest.

Message by the Principal

"Knowledge is the only kind of wealth that multiplies when you give it away". Science quiz aims to inculcate in the minds of young students a spirit of scientific enquiry, analytical thinking and provides a platform to the budding scientists for exchanging thoughts. The event witnessed enthusiastic preparation and participation. It provided an opportunity for the participants to explore the world of science. It was a wonderful learning experience. The varied types of questions asked triggered the curious minds and made it a fun and learning event for all. I feel proud and heartily congratulate the Science Society, & Chemistry Department for organizing HSCSIT, Panchkula sponsored District Level Science Quiz Competition.

Message by the Convener

Quality is never an accident and Excellence is the gradual result of always striving to do better. Science quiz aims to inculcate the mind of young students in the spirit of scientific enquiry, analytical thinking and provide a platform to the budding scientist for exchanging thoughts. The science quiz competition creates a competitive and vibrant atmosphere to increase the students to study hard, improve their knowledge and develop their critical thinking skill. A quiz is a form of game or mind sport which allows you to measure growth in knowledge abilities and skills. This interactive approach of asking questions fosters a spirit of inquiry, curiosity and opens the door to more success in future. I heartily congratulate the whole science society, college fraternity, quizmaster Shri Parveen Goyal for giving full cooperation in organizing the HSCSIT, Panchkula sponsored District Level Science Quiz Competition.

Brief descriptions/report of the District Level Science Quiz Contest with Photographs:- The District Level Science Quiz Contest sponsored by HSCSIT, Panchkula was conducted by following all rules and guidelines issued by HSCSIT. The college administration tried their best to fulfill the main objective of Science Quiz which was to test, develop the Scientific temper, awareness and encourage students to gain, explore & improve their basic knowledge skills along with their involvement in the process of knowing fun & exciting. This Science Quiz helped students identify what they know and what they don't know. The students then have a better idea of how well they are grasping the material, hopefully motivating them to study more and helping them allocate their study time effectively by focusing on the information that still needs more practice. The science Quiz is not just about increasing basic knowledge, but about connecting the dots, reading between the lines and arriving at a conclusion.
